

ART RACKS

It's a sculpture! It's a chair! It's....ArtRacks! Five multi-tasking creations from local artists and design teams that serve the bike-bound, while encouraging others to "Park It Here" and stay a while on Frankford Avenue. Part beautification, part economic-development, these functional pieces of public art add to the Frankford Avenue Arts Corridor experience.

Clockwise from top left:
Truck Parts by Leo Razzi @Belgrade
Chain Ring by Peter Gard @Palmer
Chairs by Drew Allan @Berks
Bike Icon by Bob Phillips @Girard
19th Century Bike by Vince Marshall and Chris Wheeler @Dauphin
